“Integrating Spirituality and Psychotherapy In Addiction Treatment”

Presented By: **Bill Hale, Ph.D., LICDC-CS**

Friday, May 24, 2019

**Registration and Continental Breakfast 9:00 – 9:30 am
Presentation 9:30 – 11:30 am**

**Raymond M. Blasco M.D. Memorial Library
160 E. Front Street, Erie, PA**

COURSE OBJECTIVES:

- Examine the fundamental roles that counseling and psychotherapy play in facilitation of clients’ development of our reconnection with spiritual understanding and practice, whatever form it may be.
- Learn about the neuroplasticity of the brain and how spiritual practices can create new neural connections which are geared toward attitudes and behaviors which are conducive to sustained and successful recovery.
- Explore various spiritual practices commonly used in addiction recovery, which can be inclusive or exclusive of religious traditions, and learn how they can be facilitated in addictions counseling.

**Two continuing education credit hours
approved through:**

Ohio Chemical Dependency Professionals Board

Ohio Counselor, Social Worker & Marriage and
Family Therapist Board

National Association of Social Workers
