“Trauma and its Consequences for Individuals, Families, and Communities”

Presented by: Lisa Callahan, PhD

Wednesday, January 26, 2022

9:00am – 10:30am

Virtually via Zoom

Course Objectives:

1. Define trauma and vicarious trauma
2. Give examples of traumatic events and their impact on well-being
3. Describe how the impact of trauma can be experienced throughout life and affect a wide range of behaviors and functioning
4. Describe how a history of trauma may result in broken relationships, poor decision-making, and substance reuse
5. Identify how their practice and organization is trauma informed and how it can be improved

1.5 HR. Continuing Education Credit Hours applied for through:

- Ohio Chemical Dependency Professionals Board
- Ohio Counselor, Social Worker & Marriage and Family Therapist Board
- National Association of Social Workers
